JUDGING

All entries will be judged by a panel of industry experts from markets outside the state of Texas. ARC Awards committee members who have submitted entries will not participate in the preparation of entries for judging or the actual judging process.

The ARC Awards judging committee reserves the right to combine or eliminate any category or categories due to insufficient entries. Additionally, the committee reserves the right to create new categories should the ARC judges determine a situation warrants such action. Judges may also re-categorize any entry, if in their opinion, it has been entered in the wrong category, or if the entry is better suited to another category.
